DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12 June 2009 has been entered.

Status of the Claims

Claims 1-8 are pending wherein claim 5 is amended, claims 7-8 are new and claims 1-4 are withdrawn from consideration.

Status of Previous Rejections

The previous rejection of claims 5-6 under 35 U.S.C. 103(a) as being unpatentable over Ohki (US 2003/0123769) is withdrawn in view of the Applicant's amendment to claim 5 and the Applicant's arguments.

Allowable Subject Matter

Claims 5-8 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art does not disclose or adequately suggest a method of heat treating steel having 0.8 to 1.5 weight percent carbon, 0.4 to 1.2 weight

Application/Control Number: 10/586,299

percent silicon, 0.8 to 1.5 weight percent manganese, and 0.5 to 1.8 weight percent chromium wherein the steel is carbonitrided or nitrided at 810 to 950°C, quenched, tempered, heated again above the A₁ transformation point, quenched and tempered. The instant invention distinguishes from Ohki ('769) in that Ohki ('769) does not specify or suggest tempering after the first quenching, only after the second quenching.

Examiner's Amendment

This application is in condition for allowance except for the presence of claims 1-4 directed to a roller bearing. In the reply filed on 14 July 2008, Applicant did not distinctly and specifically point out the supposed errors in the restriction requirement and the election was treated as an election without traverse. Accordingly, 1-4 have been cancelled.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jessee Roe whose telephone number is (571)272-5938. The examiner can normally be reached on Monday-Thursday and alternate Fridays 7:00 AM - 4:00 PM.
